

# Funeral Catering Buffet Menus

We understand that arranging catering at this difficult time can be an unwanted additional task at a most upsetting time. Let us help you have one less thing to worry about by taking care of all the organisation of your food requirements. We have provided four simple menu options for your bereavement catering. Simply choose like which one you would and give us a call on **029 20400003**. Alternatively, if you want something you can not see, simply ask us and we can make up something more bespoke for you.
